Call for Papers

Scientific Program
Based on the tradition of the previous congresses the scientific program will include keynote addresses, symposia, oral and poster presentations, and teaching and training workshops.

The Congress will be attended by experts in transcultural psychosomatics, psychiatry and psychotherapy from different regions of the world offering an excellent opportunity for networking and building collaborations that contribute to the science and practice of transcultural medicine and psychotherapy.

Keynote Lecture
Prof. Dr. Devon Hinton
Harvard Medical School, Boston, USA
„Transcultural Aspects in Psychosomatic Medicine“

Selection of further presentations
Prof. Dr. Birgit Wagner
Medical School Berlin, Germany
"E-mental health interventions for posttraumatic stress disorder in Arabic conflict regions"

Prof. Dr. Jan Ilhan Kizilhan
Cooperative State University, Villingen-Schwenningen, Germany
"Interkulturelle Aspekte bei der Behandlung somatoformer Störungen"

Hanna Reich, Dipl.-Psych. & Dr. Dr. Ricarda Nater-Mewes
Philipps University of Marburg, Germany
"Psychoeducation for immigrants and asylum seekers living in Germany"

Prof. Dr. Dr. Andreas Heinz
University Hospital Charité, Berlin, Germany
„Transcultural psychiatry and psychotherapy – Historical burden and novel approaches“

Further Submission
Structured abstracts should preferably be in English language and have a maximum length of 250 words. Please inform whether you intend to present in English or German.
